

FREEDOM OF INFORMATION POLICY

This is the Beeches Independent Special school Publication Scheme on information available under the Freedom of Information Act 2000

The Directors and Head of Education are responsible for maintenance of this scheme.

1. Introduction: what a publication scheme is and why it has been developed

One of the aims of the Freedom of Information Act 2000 (which is referred to as FOIA in the rest of this document) is that public authorities, including all maintained schools, should be clear and proactive about the information they will make public. At the Beeches we like to be pro-active regarding the information we publicize by creating this policy.

To do this we must produce a publication scheme, setting out:

- *The classes of information which we publish or intend to publish;*
- *The manner in which the information will be published; and*
- *Whether the information is available free of charge or on payment.*

The scheme covers information already published and information which is to be published in the future. All information in our publication scheme is either available for you on our website to download and print off or available in paper form on request.

Some information which we hold may not be made public, for example personal information.

2. Categories of information published

The publication scheme guides you to information which we currently publish or have recently published or which we will publish in the future. This is split into categories of information known as 'classes'. These are contained in section 6 of this scheme.

The classes of information that we undertake to make available are organised into four broad topic areas:

School Prospectus – information published in the school prospectus.

Head of Educations annual report- information for the parents/carers who children attend the school such as overall attendance, inspection feedback.

Pupils & Curriculum – information about policies that relate to pupils and the school curriculum.

School Policies and other information related to the school - information about policies that relate to the school in general.
